UAE MARITIME
WEEK

NAFL to take centre stage at Seatrade Maritime Logistics Middle East

NAFL has been appointed an official supporting association of UAE Maritime Week and its flagship exhibition and conference – Seatrade Maritime Logistics Middle East, taking place at **Dubai World Trade Centre from 6-8th May 2025.**

Established in 2008, Seatrade Maritime Logistics Middle East has become the industry's meeting point for maritime logistics professionals in the MENA region. The three-day event features a diverse trade show, informative conference tracks and an abundance of strategic networking opportunities.

As in previous years, the event is strategically placed in UAE Maritime Week, which is held under the patronage of the Ministry of Energy & Infrastructure.

What's new for 2025?

As a supporting association, NAFL will host a **content rich afternoon on Wednesday 7th May on the main conference stage of Seatrade Maritime Logistics Middle East.** All NAFL members will be invited and more details will be shared shortly!

Save the Date! 7th May 2025!

In the rapidly evolving world of global commerce, understanding the dynamics of the shipping industry is crucial for businesses looking to leverage their logistical capabilities. The UAE, with its strategic location and world-class infrastructure, remains a vital hub in the global shipping landscape, with continued ambitious growth plans. Join us in May 2025 and learn how you can be part of this extraordinary growth!
